

TESTIMONIALS

I worked with Cornerstone Travel for my destination wedding. They recommended booking early to give us the best price, and made it very easy and convenient for all the family members to make reservations from the midwest to the east coast, and received quick response! They mailed out any changes in the itineraries as they happened, so we were always kept up to date. They found a special upgrade promotion and changed everyone at no additional charge. Basically, I felt like I never had to do anything as far as booking! The whole trip was taken care of for all of us. They got me in touch with the wedding coordinator; I really didn't have to do anything! I would recommend Cornerstone Travel to anyone.

When my husband and I got engaged we knew right away that we wanted a destination wedding. When I called Jaime at Cornerstone Travel it was the best decision I made. She was great at helping me decide where to go, and which resort would best fit the needs that I wanted. We ended up getting married in January in Negril, Jamaica and had the best times of our lives. We are actually going back this April and we are using Cornerstone Travel again because of how helpful they are!! I recommend anyone who is deciding to travel to give them a call, you won't regret it.

When we were planning a wedding in Hawaii, we wanted to make it as easy as possible on the friends and family that were coming out to join us, and also as little work for us as we could. We called Sarah at Cornerstone Travel to see what she could help us with. Sarah put together a wonderful information sheet that we sent to our guest explaining the hotel choices and prices. She gave them all the information that was needed and then they could call her to book their plane tickets and hotel or just ask questions. When we finally arrived in Hawaii with all the stress of planning a wedding from Nebraska, we had nothing to worry about with the hotel. Check in was easy and our Ocean view room was more than we expected. Little touches like chocolate, champagne, and flowers in the room made our wedding dreams perfect. It would not have been the same without the help of Sarah.

Thanks, Joe and Maria

Thanks so much for everything!! We had a BLAST and I LOVED the resort, the wedding, all the people, everything was so perfect! The wedding coordinator there was great, everything went perfect, the beach was beautiful, the resort had great service, pools, and restaurants. It was a HUGE resort, I wish we would have stayed longer so we would of had time to go to all the restaurants and pools on the other sides of the resort. Thanks again for everything!!

My Husband and I went to Cornerstone Travel to work with Jaime on our destination wedding. My husband had worked with her prior for his brothers wedding. Choosing Cornerstone Travel was one of the best decisions we could have made. Once we decided on our destination, Jaime helped with all the details that were possible before we got to Jamaica. She was like our local wedding coordinator. She helped secure our time that we wanted to get married, helped us with the documentation for the marriage license and spa appointments we might have needed prior to the ceremony.

Not only did Jamie help us out, all our guests were treated with the same hospitality. If there was an activity we wanted to do outside the resort while we were there Jaime booked it for us so we knew what day we could plan on doing it and secure a spot for us on the outing.

When we left for Jamaica we hit some snags and Jamie was there to help right away. She was on the phone trying to find us a new flight once we missed our connecting one. Once we arrived we were missing some bags. Again, Jamie was on the phone back home trying to locate them for us while we were having fun on the beach. My sister's flight got delayed a day and unfortunately would be arriving the day of the wedding. Jamie used her connections at Sandals to speed up the customs process one has to endure before arriving to the resort. My sister arrived minutes before the ceremony thanks to Jamie's help.

The trip was great even with the few snags but Jamie was there to make it smooth. Even when the trip was over Jamie helped all of us out with a rebate we suppose to get while we were there.

Yes there were some unexpected things that happened on our trip but Jamie was there to make it all better and memorable. I will definitely recommend Cornerstone Travel to anyone and I will be calling her again the next time I go somewhere.

Yes, we had such a great time! We just had our reception last Saturday and everybody was talking about how much they LOVED the resort and they were talking about how much they want to go back. I also know that they were all VERY impressed with you!! I can't believe after a year of planning that everything is over with already. It's amazing how fast a year goes by and I couldn't have done all of this planning without you, so thank you!

I have attached 5 pictures for you and of course you can post them on your website! Let me know if/when you post them because I would like to check them out ;)

Thanks again for everything!

Your recommendation was superb! I loved it all!! Even though we couldn't use the beach, due to the hurricane, the little chapel was nothing short of beautiful bliss! Working with you was great and I didn't feel like I had to worry about any of the small details (collecting money, scheduling flights, hotels, etc.). When we got to the resort, we met with the wedding coordinators and chefs to prepare an amazing wedding and reception. The food was brilliant and service outstanding! Our candlelight dinner on the beach was one of my favorite evenings. It was a great way to spend our last night on the resort and so romantic! Leaving was difficult, but the memory of our special day was more than I would have imagined.
